

AusIMM | New Zealand
Branch

Your Ticket to Stay Connected to the Peak Body Working in the NZ Resources Sector

Join our Global Community today

Information on how to join:

AusIMM Undergraduate [Student membership](#) is the first step in your career as a mineral resources professional.

Student membership provides you with exposure to the industry, valuable connections to other industry professionals and organisations along with the skills needed for success in the workforce. As with other membership grades, students must register online, activate an account and then follow the prompts to complete the application.

Student members (SAusIMM) do not pay annual fees, however, there is a one-off application fee of \$16.50 AUD which the NZ Branch is committed to fund. To be eligible you must be enrolled in a full-time minerals related course and live in New Zealand. To receive this reimbursement, simply send sending proof of payment and your bank details to ausimm@gmail.com.

To support a student member application, the following information will be required:

- Proof of enrolment in first tertiary study
- Expected study completion date
- A copy of your Photo ID

The NZ Branch offers student benefits such as subsidised attendance to events, scholarships for undergraduate research and, on occasions, attendance at AusIMM events in NZ or Australia.

AusIMM [Associate Membership](#) is the next important step for a mineral resources professional.

Associate membership allows you to further develop your professional network at industry events, grow your technical knowledge, and broaden your experience within the mining industry. This membership grade is for:

- First year graduates from a mining-related course
- Post graduate students
- New professionals in the first five years of their career
- Operations/ technical professionals working in construction, mining, or a related industry
- Consultants working in mining or a related industry

The process to gain Associate membership (AAusIMM) is as follows:

1. Visit [AusIMM](#) and Sign up with an account. You can begin the application process (Associate) [here](#)
2. Complete the application form with necessary documents (Your resume, photo ID and enrolment confirmation (if required)) and agree to the Member Declaration.
3. If you are doing full time post-graduate study, end the application process here and **do not proceed to payment stage**. You need to email membership@ausimm.com with notification of submission as you are eligible for a 50% discount on membership fees (total annual fee of \$102 AUD + one off when joining \$55 AUD Application fee)
4. If you are NOT doing Full time study, complete the application process online (total annual fee of \$224.40 AUD + one off when joining \$55 AUD Application fee)

The NZ Branch offers full time post-graduate student benefits such as subsidised attendance to events, scholarships for post-graduate research and, on occasions, attendance at AusIMM events in NZ and Australia.

New Leaders' Conference

The New Zealand Branch provides funding for a group of students and young professionals to attend the Annual New Leaders' Conference. The [New Leaders' Conference](#) is held in a different location every year and is both in person or online. It provides young mining professionals with an exclusive opportunity to learn from, and engage with renowned mining leaders.

Women in Extractives Network New Zealand WENNZ

[WENNZ](#) is a Straterra initiative aiming to increase the number of women in the industry, enhance their visibility, and to enable networking opportunities and support in the sector. It also seeks to promote diversity and inclusion by creating pathways and to assist in increasing the network of wahine toa at all levels, across New Zealand's mining, quarrying and drilling. Membership is open to all (including non-AusIMM members), regardless of gender. If you, or someone you know is keen to take part or you have any ideas, register your interest at event@straterra.co.nz and please include your region.

For up to date communication of WENNZ events please go to [WENNZ on LinkedIn](#).

AusIMM New Professionals Network

The AusIMM New Professionals Network is a networking group for minerals industry professionals from final year students through to those with six years' experience. Further information is available on the main [AusIMM website](#). There is also a New Professionals Facebook page [here](#).

The AusIMM New Professionals Network aims to provide members with:

- Professional development of soft skills particularly focused on communication;
- Technical support, advice and guidance for those who may be shy or looking for external support;
- Advice on the relevance of external conferences and courses for professional development;
- Encouragement and advice on attending technical talks and meeting senior members within AusIMM;
- Networking opportunities specifically for graduates in the same area
