Volume 1

Dedication		v
President's Foreword		vii
Editors' Preface		ix
Editor's Preface to First Edition		x
Monograph 19 Committee		xi
Sir Maurice Mawby, CBE — an appreciation	J.T. Ralph, AO	xiii
Chapter 1: Background of the Australasian mining and metallurgical industry		
Overview		
Overview of the Australasian mining and metallurgical industry	J.T. Ralph, AO	3
General papers		
The national significance of the Australian mining and metallurgical industry	J.L. McIntosh	
The national significance of the New Zealand mining and metallurgical industry	C.D. Ward	10
Financing the Australian industry during the decade 1980–1990	R.J. McDonald	3
International competitiveness and marketing practices in the Australian mining and metallurgical industry	R.J. Fynmore, AO	5
Infrastructure and the community in the Australian mining and metallurgical industry	R.W. Perkins and G.E. Morgan	20
Labour and productivity in the Australian mining and metallurgical industry	N.A. Amos	24
Taxation and royalties in the Australian mining and metallurgical industry	C.T. Gibbons	29
Opportunities for further processing in the Australian mineral industry	R.J. Batterham	32
Chapter 2: General practices		
Overview		
Overview of general practices in the Australasian mining and metallurgical industry	S.M. Richards	41
General papers		
Ore reserve estimation in the Australasian mining industry	B.M. Robertson and M. McC. Hunter	45
Mine engineering in the Australian mining industry	C.L. Smith	48
Open pit production drilling practices in the Australasian mining industry	D.A. Scott	52
Underground production drilling in the Australasian mining industry	C.E. Clifford	56
Explosives and blasting practices in the Australasian mining industry	G.J. Kennewell and D.S. Miller	61
Size reduction and size separation practices in Australasia	A.J. Lynch and R.D. Morrison	67

The Australian bulk port system for minerals export	R. Attwood and J.H. Planner	72
The role of project engineers in the Australasian mining and metallurgical industry	J. Zubrinich	78
<i>Transportation and haulage</i>		
Transportation and haulage practices in the Australasian mineral industry — slurry pipelines	P. Venton	84
Transportation and haulage practices in the Australasian mineral industry — belt conveying	P.A. Dann	86
Transportation and haulage practices in the Australasian mineral industry — export shipping	M.J. Searle	87
Transportation and haulage practices in the Australasian mineral industry — rail haulage	D.J. O'Grady	89
Transportation and haulage practices in the Australasian mineral industry — truck haulage	C. Runge	90
Transportation and haulage practices in the Australasian mineral industry — underground systems	T.A. Isokangas and B. White	91
Transportation and haulage practices in the Australasian mineral industry — shaft systems	G.P. Deutsch	93
Transportation and haulage practices in the Australasian mineral industry — dragline excavation	I.C. Runge	95
Chapter 3: Environmental management practices and mine site rehabilitation		
<i>Overview</i>		
Overview of environmental resource management in the Australian mining and metallurgical industry	R.A.G. Vines and S.C. Ward	99
<i>General papers</i>		
Environmental resource management practices of Alcoa of Australia Limited	S.C. Ward, G.C. Slessar, and D.J. Glenister	
BHP's approach to environment protection and mine rehabilitation	A.H.K. Purnell and D.C. Davis	
Environmental management practices of CRA Limited and associated companies	I. Hore-Lacy and P. Ruppin	
Mining and environmental management in New Zealand	J. Clarke and J. Whitlock	16
Environmental management practices of Western Mining Corporation Limited	G.H. White	
<i>Specific practices</i>		
Environmental management practices in the Australian mineral sands industry	D.R. Brooks and F.M. Nicholls	121
Disposal of cyanide plant tailings and effluents in Australia	H. Jones	125
Environmental management practices at BHP New Zealand Steel Limited, Glenbrook, New Zealand	R.A. Hanson	131
Environmental management and mine site rehabilitation in South Australia	R. Mattiazzo	34

Rehabilitation of open-cut coal mines in Queensland and New South Wales	L.C. Bell and J.C. Hannan	41
Environmental management at Waihi Gold Mining Company Limited, Waihi, New Zealand	K.M. Brodie and K.A. Mason	
Chapter 4: Research		
<i>Overview</i>		
An overview of Australian mining and metallurgical research in the 1980s	A.J. Lynch	51
<i>Specific papers</i>		
Mining and metallurgical research in CSIRO	A.F. Reid	155
Mining and metallurgical research in Australian universities	D.M. Muir	159
Industrial and basic research in mining and metallurgy in Australia	J.R. May	164
Contract research and development in mining and metallurgy in Australia	B.S. Hickman	170
Research in mining and metallurgy in New Zealand	W.E. Vance and M.H. Buckenham	
Mining and metallurgical research in state Departments of Mines in Australia	J. Avraamides	
Coal research in Australasia	N.S. Bharucha	79
Chapter 5: Education and training		
<i>Overview</i>		
Overview of mining and metallurgical education in Australasia	J.M. Rose and J.T. Brady	185
<i>Specific papers</i>		
Tertiary education in Australia for the mining and metallurgical industry	W.J. Rankin	188
Tertiary education in New Zealand for the mining and metallurgical industry	M.H. Buckenham and W.E. Vance	191
Tertiary education in Papua New Guinea for the mining industry	M.A. Moramoro	193
Skills training for the mining and metallurgical industry	L. Cupper and G. McGill	196
Educating metallurgists in Australia	F. Lawson	200
Continuing education in the Australian minerals industry	D.M. Pollard	202
Chapter 6: Statistical outline of mineral and metal production		
Statistical outline of the Australian mineral industry over the 1980s	M.J. Roarty, R. Murray, and J. Hogan	209
Statistical outline of the New Zealand mineral industry, 1980–1990	J.F. Anckorn	
Chapter 7: Iron ore		
<i>Overview</i>		
Overview of the iron ore industry: Twenty-five years of iron ore developments in Australia	M.A. O'Leary	231

Iron ore mining

Iron ore mining practice by BHP Iron Ore in Western Australia	I.R. Ashby, C.N. Bensley, O. Mol, and H.A. Newman	237
Iron ore mining by BHP Steel — Long Products Division at Iron Knob and Iron Duke, SA	R.B. Reid	245
Iron ore mining and crushing by the Channar Mining Joint Venture, Channar, WA	C.J. Birkett, D.F. Alchin, and A.R. Jackson	246
Iron ore mining by Hamersley Iron Pty Limited at Mount Tom Price and Paraburdoo, WA	L.K. Tan and A.R. Jackson	
Proposed iron ore mining operations by Hamersley Iron Pty Limited at Marandoo, WA	C.J. Birkett	254
Iron ore mining by Portman Mining Limited at Ferro Gully, WA	A.J. Pearson and R.J. McGregor	257
Iron ore mining practice of Robe River Iron Associates, Pannawonica, WA	B. Oliver	260
Iron ore mining by Savage River Mines, Savage River, Tas	B.C. Povey	

Iron ore crushing and screening

Iron ore crushing and screening practice at BHP Iron Ore operations in Western Australia	C.N. Bensley, P. Kyle, and K.N. Watters	263
Iron ore crushing and screening by Hamersley Iron Pty Limited at Mount Tom Price and Paraburdoo, WA	L.K. Tan and A.R. Jackson	
Iron ore crushing and screening by Robe River Iron Associates, Cape Lambert, WA	R.J. Laing	274

Iron ore beneficiation

Iron ore beneficiation by BHP Iron Ore in Western Australia	C.N. Bensley, K.L. Fenton, and J. Turner	276
Iron ore beneficiation by Hamersley Iron Pty Limited at Mount Tom Price, WA	J.E. Petty	
Iron ore concentrator and pipeline operations of Savage River Mines, Savage River, Tas	T. Langenberg	284
Ironsand mining and concentrating operations of New Zealand Steel Mining Limited at Waikato North Head and Taharoa	D.R. Buist and C.J. Hogan	286

Iron ore pelletising and sintering

Recent pelletising practice at BHP Steel — Long Products Division, Whyalla, SA	R.F. Haines	291
Pellet plant practice at Savage River Mines, Port Latta, Tas	I.J. Wagin	293
Sinter plant practice by BHP Steel — Rod and Bar Products Division, Newcastle, NSW	C.W. Thompson and M.G. Hoffmann	296
Sinter plant practice by BHP Steel — Slab and Plate Products Division at Port Kembla, NSW	A.C. Spillett	299

General papers

Safety at the Paraburdoo operations of Hamersley Iron Pty Limited, WA	J.H.J. Erkins	
The railway of Hamersley Iron Pty Limited between Paraburdoo and Dampier, WA	P.J. Dwyer	
Production, quality control, and the blending system of Hamersley Iron Pty Limited, Dampier, WA	J.D. Triglone	
Port operations of Hamersley Iron Pty Limited, Dampier, WA	R. Christmass	313
New control system for the Mount Tom Price concentrator of Hamersley Iron Pty Limited	T.M. McCracken and G.R. McGrechan	319

Chapter 8: Iron and steel

Overview

Australasia's well-positioned steelmakers: An overview of the Australasian iron and steel industry	B. Jaton	325
--	----------	-----

Ironmaking

Blast furnace practice at BHP Steel — Rod and Bar Products Division, Newcastle, NSW	G.W. Fitzgerald	333
Blast furnace practice at BHP Steel — Slab and Plate Products Division, Port Kembla, NSW	D. Lathlean	337
Blast furnace practice at BHP Steel - Long Products Division, Whyalla, SA	R.F. Ward	344
Ironmaking at BHP New Zealand Steel Limited, Glenbrook, New Zealand	B.F. Kelly	348

Steelmaking

Steelmaking practices at BHP Steel — Rod and Bar Products Division, Newcastle, NSW	R. Hodyl, W. Robson, and D.A. Varcoe	
Steelmaking practices at BHP Steel — Slab and Plate Products Division, Port Kembla, NSW	C.L. Carey	
Steelmaking practices at BHP Steel — Long Products Division, Whyalla, SA	T.C. Hansford	
Oxygen steelmaking at BHP New Zealand Steel Limited, Glenbrook, New Zealand	B.F. Kelly	
Electric steelmaking at Smorgon Steel, Laverton North, Vic	A. Viera	370
Electric steelmaking at BHP New Zealand Steel Limited, Glenbrook, New Zealand	B.F. Kelly	371
<i>Continuous casting</i>		
Continuous casting at BHP Steel — Rod and Bar Products Division, Newcastle, NSW	D.J. Trotter	
Continuous casting at BHP Steel - Slab & Plate Products Division, Port Kembla, NSW	R.J. Serje	377
Continuous casting at BHP Steel - Long Products Division, Whyalla, SA	K. Gregory	382
Continuous steel casting at BHP New Zealand Steel Limited, Glenbrook, New Zealand	B.F. Kelly	

Research on continuous casting technology at BHP Research, Melbourne, Vic, and Newcastle, NSW	R.B. Mahapatra, R.H. Davies, and J.G. Herbertson	
<i>Rolling mill practice</i>		
Rolling mill practice at BHP Steel - Long Products Division, Whyalla, SA	D.A. Leech	
Flat products rolling at BHP Steel — Slab and Plate Products Division, Port Kembla, NSW	G.E. Wood and J.A. Hawes	
Reconstruction of the hot strip mill at BHP Steel, Port Kembla, NSW	G.E. Wood	
Hot and cold rolling mill practice at BHP New Zealand Steel Limited, Glenbrook, New Zealand	D.B. Campbell	413
Production of coated products by BHP Steel — Sheet and Coil Products Division	G. Harvey	416
Production of coated products at BHP New Zealand Steel, Glenbrook, New Zealand	N. Clark	423
<i>Pipe and wire manufacture</i>		
Steel pipe production by Tubemakers of Australia Limited, Newcastle, NSW	J. Sams	427
Wire manufacture in BHP Steel — Building & Industrial Products Division	F.J. Harborne	431
<i>General papers</i>		
New generation ironmaking process of HIs melt Corporation Pty Limited, Kwinana, WA	B.L. Cusack	435
Iron and steel foundry practice in Australia	H.A. Stephens	438
<i>Coke ovens practice</i>		
Coke ovens practice at BHP Steel — Rod and Bar Products Division, Newcastle, NSW	D. Eckersley	442
Coke ovens practice at BHP Steel — Slab and Plate Products Division, Port Kembla, NSW	R. McArdle and K. Dobie	444
Coke ovens practice at BHP Steel — Long Products Division, Whyalla, SA	J.S. Baggs	447
Treatment of coke ovens effluent at BHP Steel — Slab and Plate Products Division, Port Kembla, NSW	S. Webb	448
Chapter 9: Lead-zinc-silver		
<i>Overview</i>		
Overview of the Australian lead-zinc-silver industry	D.S. Carruthers	
<i>Lead-zinc ore mining</i>		
Lead-zinc ore mining at the Isa mine of Mount Isa Mines Limited, Mount Isa, Qld	B.E. Hall	457
Lead-zinc ore mining by Mount Isa Mines Limited at the Hilton mine, Mount Isa, Qld	F.J. Leahy	
Lead-zinc ore mining at North mine of Pasminco Mining — Broken Hill, Broken Hill, NSW	G. Wardle	
Lead-zinc ore mining at the Southern Operations of Pasminco Mining — Broken Hill, Broken Hill, NSW	P. Hickson and M. Spreadborough	

Lead-zinc ore mining by Pasminco Mining — Elura mine, Cobar, NSW	W.R. Cannings, I.J. Kelso, and E.R. Williams	473
Lead-zinc ore mining by Pasminco Mining — Rosebery mine, Rosebery, Tas	A.R. Thomas	477
Lead-zinc and copper ore mining by Woodlawn Mines at Tarago, NSW	W. Rossiter and S. Jackson	480
Zinc-lead-copper-silver ore mining by Aberfoyle Limited, Hellyer, Tas	A.B. Molinia	482
Zinc-lead ore mining at the Cadjebut mine, Cadjebut, WA	D.J. Lawrence	
Zinc-copper ore mining by Murchison Zinc Company Pty Ltd at the Scuddles mine, Golden Grove, WA	J.K. Hamilton and J.T. Woodcock	491
Zinc-copper-lead-silver ore mining at Thalanga Mine, near Charters Towers, Qld	L.J. Taylor and L.I. Rozman	
Zinc silicate ore mining by Pasminco Limited at Beltana-Aroona, SA	J.D. Carmichael	496
<i>Lead-zinc ore concentration</i>		
Lead-zinc-silver ore concentration practice at the lead-zinc concentrator of Mount Isa Mines Limited, Mount Isa, Qld	P.D. Munro	
Lead-zinc-silver ore concentration practice at the Hilton concentrator of Mount Isa Mines Limited, Mount Isa, Qld	P. Rohner	
Lead-zinc ore concentration practice at the North concentrator of Pasminco Mining — Broken Hill, Broken Hill, NSW	J. Burgess	
Lead-zinc ore concentration practice at the South concentrator of Pasminco Mining — Broken Hill, Broken Hill, NSW	T. Watters	51
Lead-zinc ore concentrator practice by Pasminco Limited, Elura mine, Cobar, NSW	P. Allen, R. Jackman, and R. Peck	
Lead-zinc ore concentrator practice by Pasminco Mining — Rosebery, Rosebery, Tas	N.I. Krishnan	519
Lead-zinc ore concentration at the Woodcutters mine, NT	G. Lonsdale	
Copper-lead-zinc ore concentrator practice at Woodlawn Mines of Denehurst Ltd, Tarago, NSW	P. Tilyard, P. Bowen, and R. Holborow	
Zinc-lead ore concentration by Aberfoyle Limited, Hellyer, Tas	G.D. Richmond	530
Zinc-lead ore treatment at the Cadjebut mine, Cadjebut, WA	B. Nash	535
Zinc-copper ore treatment by Murchison Zinc Company Pty Ltd at the Scuddles mine, Golden Grove, WA	J.K. Hamilton and J.T. Woodcock	541
Copper-lead-zinc ore concentration at Thalanga Mines, near Charters Towers, Qld	A.M. Breen and R.W. Nice	
Copper-zinc ore mining and treatment by the Benambra Mine Joint Venture, Benambra, Vic	P.J. Dowd	
<i>Lead-zinc retreatment</i>		
Retreatment of Freemans shaft dump material by Pasminco Mining — Broken Hill Operations, Broken Hill, NSW	J. Burgess	
Lead-zinc tailings retreatment at Woodlawn Mines of Denehurst Limited, Tarago, NSW	R. Jackman and P. Tilyard	552

Lead smelting

Lead smelting at Mount Isa Mines Limited, Mount Isa, Qld	K. Ramus and N. Clift	554
Lead smelting and refining by Pasminco Metals — BHAS at Port Pirie, SA	G. Saint, J.E. Legg, and M. Pizzey	559
Lead-zinc smelting at Pasminco Metals Sulphide Pty Limited, Newcastle, NSW	Staff of Pasminco Metals — Sulphide Pty Limited	563

Zinc production

Zinc production by Pasminco Metals BHAS at Port Pirie, SA	R.S. Johnson and R.K. Tyson	569
Electrolytic zinc production by Pasminco Metals — EZ, Risdon, Tas	R. Gilmour	573
Modernisation and expansion of the electrolytic zinc plant of Pasminco Metals — EZ, Risdon, Tas	R.V. Pammenter	578

Casting, alloying, and secondary recovery

Lead recovery and production from recycled lead scrap by Australian Refined Alloys at Alexandria, NSW, and Laverton North, Vic	M.W. Stevenson and K.R. Lane	581
Zinc melting and alloying by Pasminco Metals — EZ, Risdon, Tas	J.P. England	584
Scrap zinc recycling at Challenge Metals & Technologies Limited, West Footscray, Vic	A. Richardson	586

Precious metals recovery

Precious metals recovery at Pasminco Metals — BHAS, Port Pirie, SA	R.J. Moffatt	588
--	--------------	-----

Proposed operations

Century zinc deposit of CRA Limited, north west Queensland	J.K. Hamilton and J.T. Woodcock	589
Proposed operations of McArthur River Mining Pty Ltd, McArthur River, NT	D.B. Beattie and K. Leung	591

Chapter 10: Copper

Overview

Overview of the Australasian copper industry	Sir Bruce Watson	595
--	------------------	-----

Copper ore mining

Copper ore mining at Bougainville Copper Limited, Panguna, Papua New Guinea	J.K. Hamilton and J.T. Woodcock	598
Copper-lead-zinc ore mining at Cobar Mines Pty Limited, Cobar, NSW	R.W. Haskard and W.W. Chaplain	602
Copper-gold-silver ore mining at Horseshoe Gold Mine Project, Horseshoe, WA	W. Loxton	606
Copper ore mining by the Moonta Mining Joint Venture, Moonta, SA	T. Daw	609
Copper ore mining at Mount Isa Mines Limited, Mount Isa, Qld	B.E. Hall	612
Copper ore mining at The Mount Lyell Mining & Railway Company Limited, Queenstown, Tas	P.J.E. Harper	617
Mining of copper-uranium-gold ore at The Olympic Dam Joint Venture, Roxby Downs, SA	M. Van Leuven	620

Mining of copper-gold ore by the Selwyn Joint Venture, Selwyn, Qld	R. MacLeod-Carey, B.R. Ruffles, and C.G. Desoe	
Copper ore mining at Ok Tedi Mining Limited, Ok Tedi, Papua New Guinea	K.E. Stapleton	631
Copper-gold ore mining at Red Dome Pty Ltd, Red Dome, Qld	A.G. Scott and K.J. Grohs	
<i>Copper concentrator practice</i>		
Copper ore treatment at Bougainville Copper Limited, Panguna, Papua New Guinea	J.K. Hamilton and J.T. Woodcock	
Copper-lead-zinc concentrator practice at Cobar Mines Pty Limited, Cobar, NSW	H.J. Boughen and W.G. Gosling	
Copper concentrator practice at Mount Isa Mines Limited, Mount Isa, Qld	I. Lumsdaine and S.M. O'Hare	649
Copper concentrator practice at the Warrego plant of Poseidon Gold Limited, Tennant Creek, SA	V. McLaglen	652
Copper concentrator practice at The Mount Lyell Mining & Railway Company Limited, Queenstown, Tas	J.W. Geoghegan	654
Copper concentrator practice at The Olympic Dam Joint Venture, Roxby Downs, SA	A.S.M. Vonk	656
Copper ore concentration by the Moonta Mining Joint Venture, Kadina, SA	G. Greenhill and T. Daw	659
Copper concentrator practice at Ok Tedi Mining Limited, Ok Tedi, Papua New Guinea	J.K. England	661
Copper-gold-silver concentrator practice at the Horseshoe Gold Mine Project, Horseshoe, WA	R. Pleysier	666
Copper and gold ore treatment at Triako Resources Ltd, Mineral Hill, NSW	P.A. Clay	669
<i>Copper-gold ore treatment</i>		
Copper-gold ore treatment at Boddington Gold Mine, Boddington, WA	G.J. Hill	672
Copper-gold ore treatment at Red Dome Pty Ltd, Red Dome, Qld	C.A. Brown	675
Copper-gold ore treatment at the Selwyn Joint Venture, Selwyn, Qld	R.C. Bush	681
Gold-copper ore treatment at the Telfer mine, Telfer, WA	M. Sherman and D. Engelhardt	
<i>Copper slag treatment</i>		
Copper converter slag treatment at Mount Isa Mines Limited, Mount Isa, Qld	I. Lumsdaine and S.M. O'Hare	
<i>Copper smelting</i>		
Copper smelting practice at Mount Isa Mines Limited, Mount Isa, Qld	E. Mounsey	690
Operation of the Copper Isasmelt plants at Mount Isa Mines Limited, Mount Isa, Qld	C.R. Fountain, J.M.I. Tuppurainen, and N.R. Whitworth	695
Copper smelting practice at Southern Copper Limited, Port Kembla, NSW	B. Andrews	700
Copper smelting at The Olympic Dam Joint Venture, Roxby Downs, SA	M. Rodriguez	

Copper refining

- Copper refining practice at Copper Refineries Pty Ltd, Townsville, Qld
D.W. Hoey
and B.J. O'Rourke
- Copper refining practice at Southern Copper Limited, Port Kembla,
NSW
B. Andrews
- Copper refining practice at The Olympic Dam Joint Venture,
Roxby Downs, SA
A.C. Culf 715

Copper leaching and recovery

- Copper recovery by heap leaching and cementation by Adelaide
Chemical Company Limited, Mount Gunson, SA
K.F. Bampton 717
and N.F. Winzar
- Copper recovery by heap leaching, solvent extraction, and
electrowinning at Mount Isa Mines Limited, Mount Isa, Qld
D. Readett 72
- Copper recovery by in situ leaching, solvent extraction, and
electrowinning by Gunpowder Copper Ltd, Gunpowder, Qld
J.H. Treloar,
and R.E. Wilmshurst
- Copper leaching and solvent extract at The Olympic Dam Joint
Venture, Roxby Downs, SA
A.S.M. Vonk
- Copper production from matte at Pasminco Metals — BHAS,
Port Pirie, SA
R.K. Tyson, 732
N.E. Meadows,
and A.D. Pavlich
- Copper sulphate production at Pasminco Metals — Sulphide Pty
Limited, Newcastle, NSW
D.P. Fitzgibbons

Copper semi-fabrication

- Outline of the Australasian copper semi-fabrication industry
J.R. Trengove
- Copper semi-fabrication at Copper Refineries Pty Ltd, Townsville, Qld
A.I. Pirvics, 738
and B.J. O'Rourke
- Copper semi-fabrication at Extruded Metals Pty Ltd, Maidstone, Vic
J.C. Bitcon
- Copper semi-fabrication at MM Metals, Port Kembla, NSW
W.G. Crouch, 741
K.R. Malcolm,
and J.W. Stewart

Chapter 11: Aluminium

Overview

- Overview of the Australasian aluminium industry
T. Barlow

Bauxite mining

- Bauxite mining by Alcoa of Australia Ltd in Western Australia
R. Baker 749
- Bauxite mining and beneficiation by Comalco Aluminium Ltd, at
Weipa, Qld
K.B. McDonald 750
and R. Mandla
- Bauxite mining by Nabalco Pty Limited at Gove, NT
F.D. O'Keefe
- Bauxite mining by Worsley Alumina Pty Ltd at Boddington, WA
R.A. Hinde 756
and D.M. Marantelli

Alumina production

- Alumina production by Alcoa of Australia Ltd in Western Australia
D.M. Debney
- Alumina production by Nabalco Pty Limited at Gove, NT
J. Gouma
and A. Bhasin
- Alumina production by Queensland Alumina Limited, at
Gladstone, Qld
G.R. Skiba

Alumina production by Worsley Alumina Pty Ltd at Worsley, WA	F.N. Newchurch, T.J. Galloway, and K.E. Moretto	769
<i>Aluminium smelting</i>		
Aluminium smelting by Alcan Australia Ltd at Kurri Kurri, NSW	L. Delage	
Aluminium smelting by Alcoa of Australia Ltd at Point Henry, Vic	L.B. Davey and P.J.F. Jamieson	774
Aluminium smelting by Boyne Smelters Limited at Gladstone, Qld	D.E. Ford	776
Aluminium smelting by Comalco Aluminium (Bell Bay) Limited at Bell Bay, Tas	D.A. Harrison and J.M. Jarvis	779
Aluminium smelting by New Zealand Aluminium Smelters Limited at Tiwai Point, near Invercargill, New Zealand	B. Hartley	781
Aluminium smelting by Portland Aluminium, Portland, Vic	D. Judd and R. Moore	783
Aluminium smelting by Tomago Aluminium Company Pty Limited, Tomago, NSW	G.R. Taylor	786
<i>Aluminium alloying and semi-fabrication</i>		
Aluminium alloying and casting by Tomago Aluminium Company Pty Limited, Tomago, NSW	B.A. Hall	
Aluminium semi-fabrication at Alcan Australia Limited in Australia and New Zealand	A.A. Smith	790
Aluminium semi-fabrication by Alcoa Rolled Products at Point Henry, Vic	W.G. Osborn and P.J.F. Jamieson	792
Aluminium extrusion operations of Comalco Aluminium Ltd, Extruded Products Division, Yennora, NSW	D.R. Grant	793
Aluminium rolling operations of Comalco Rolled Products, Yennora, NSW	P.D. Wand	794
Aluminium semi-fabrication operations of Comalco-CHH Aluminium, Auckland, New Zealand	R.G. Baldwin	796
Chapter 21: Indexes		
Author index to volumes 1 and 2		xxxix
Subject index to volumes 1 and 2		xliii

Volume 2

Dedication		v
President's Foreword		vii
Editors' Preface		ix
Editor's Preface to First Edition		x
Monograph 19 Committee		
Sir Maurice Mawby, CBE — an appreciation	J.T. Ralph, AO	xiii
 Chapter 12: Gold		
<i>Overview</i>		
Overview of the Australasian gold industry	H.M. Morgan, AO	
<i>Major gold ore mining operations</i>		
Gold ore mining and ore treatment operations of Asarco Australia Limited at Wiluna, WA	P.A.R. Odd and R.J. Hardy	804
Gold ore mining at the Bellevue Gold Project, Sir Samuel, WA	C. Obschonka	
Gold ore mining at Big Bell Mines Pty Limited, Cue, WA	W.H. Myckatyn	812
Gold ore mining at Boddington Gold Mine, Boddington, WA	P. Morriss	
Gold ore mining at Central Norseman Gold Corporation Limited, Norseman, WA	G.J. Andrewartha	819
Gold ore mining by Dominion Mining Limited at Cosmo Howley, NT	M. Gloyne	823
Gold ore mining by Dominion Mining Limited at Meekatharra gold operations, WA	B. Mackenzie and N. Carroll	828
Gold ore mining by Dominion Mining Limited and Morgans Gold Mines Limited at Mount Morgans, WA	P. Payne and L. Kirk	831
Gold ore mining underground at Emperor Gold Mining Company Ltd, Vatukoula, Fiji	P. Secker	835
Gold-silver ore mining at the Golden Cross project, Waihi, New Zealand	B. Lloyd and T. Maton	837
Gold ore mining by Hedges Gold Pty Ltd, near Boddington, WA	M.F. Wills	839
Gold ore mining by Hill 50 Gold Mine NL at Mount Magnet, WA	I.M. Suckling	841
Gold ore mining at Kalgoorlie Consolidated Gold Mines Pty Ltd, Kalgoorlie, WA	M. Cutifani	844
Gold ore mining at Kambalda Gold Operations of Western Mining Corporation Limited, Kambalda, WA	Staff of Kambalda Gold Operations	
Gold ore mining at Kidston Gold Mines Ltd, Kidston, Qld	F.J. Tullemans, R.W. McLellan, and A.W. Burgess	856
Gold ore mining at the Lancefield gold mine of Western Mining Corporation Limited, Lancefield, WA	J.C. de Vries	
Gold ore mining at Leinster Gold Operations of Western Mining Corporation Limited, Leinster, WA	P. Hepburn-Brown and N. Aoukar	866
Gold ore mining by Macraes Mining Company Limited, Macraes Flat, New Zealand	R.M. Weston	
Gold-silver ore mining at Misima Mines Pty Ltd, Misima Island, Papua New Guinea	D.W. Zandee	

Gold ore mining at Mt Leyson Gold Mines Limited, Mt Leyshon, Qld	Staff of Mt Leyshon Gold Mines Limited	873
Gold ore mining by Newcrest Mining Limited at the New Celebration mine, Kalgoorlie, WA	M. Turner	876
Gold ore mining by North Flinders Mines Ltd at The Granites, NT	M.N. Wyburn	880
Gold ore mining at the Paddington mine of Pancontinental Goldmining Areas Pty Ltd, Kalgoorlie, WA	Staff of Pancontinental Mining Limited	883
Gold ore mining by Peak Gold Mines Pty Limited, Cobar, NSW	R.H. Davies and G. Jackson	886
Gold ore mining by Placer (Granny Smith) Pty Limited at Laverton, WA	S. Reid	890
Gold ore mining at Plutonic Gold Mine of Plutonic Operations Limited, Plutonic, WA	B. Davis	892
Gold ore mining by Porgera Joint Venture at Porgera, Papua New Guinea	P.B. Hills and W.G. Gearing	897
Gold ore mining at the Telfer gold mine, Telfer, WA	M.F. Whitham	
Gold ore mining at Waihi Gold Mining Company Limited, Waihi, New Zealand	N.K. Bergin	910
Proposed gold ore mining and treatment operations at the Lihir Island Project, New Ireland Province, Papua New Guinea	R.R. Dimock, C.J. Carter, J.R. Forth, H. Hoogvliet, W.L. Jacobsen, V.J. Ketcham, T.I. Probert, K.F. Thiel, D.L. Watson, and Z.M. Zavodni	913
 <i>Medium-size gold mining operations</i>		
Gold ore mining practice in 1991 at medium-size gold mines in Australia	D.S. Tyrwhitt, V.K. Randell, and J.R. Barrett	923
 <i>Major gold ore treatment operations</i>		
Gold ore treatment at the Bellevue Gold Project, Sir Samuel, WA	S.M. Findlay	
Gold ore treatment at Big Bell Mines Pty Limited, Cue, WA	A. Orloff	935
Gold ore treatment at Boddington Gold Mine, Boddington, WA	G.J. Hill	937
Gold ore treatment at the Bounty mine, Forresteria, WA	K. Graham	939
Gold ore treatment at Central Norseman Gold Corporation Limited, Norseman, WA	J.G. Bower	
Gold ore treatment by Dominion Mining Limited at Cosmo Howley, NT	M. Gloyne	946
Gold ore treatment by Dominion Mining Limited at Meekatharra, WA	H. Holle	
Gold ore treatment by Dominion Mining Limited and Morgans Gold Mines Limited, at Mount Morgans, WA	R. Jonas and K. Hecht	951
Gold ore treatment at Emperor Gold Mining Company Ltd, Vatukoula, Fiji	A. Loosley	
Gold-silver ore treatment at the Golden Cross project, Waihi, New Zealand	B. Burdett and D. Wolfenden	

Gold ore treatment by Goldfan Ltd at Three Mile Hill, Coolgardie, WA	A.R. Bax and A.C. Bax	958
Gold ore treatment by Hedges Gold Pty Ltd, near Boddington, WA	M.F. Wills	962
Gold ore treatment by Hill 50 Gold Mine NL at Mount Magnet, WA	I. Dunlop and R. Mirfield	963
Gold ore treatment at Kalgoorlie Consolidated Gold Mines Pty Ltd, Kalgoorlie, WA	M. Cutifani	966
Gold ore treatment at St Ives plant of Kambalda Gold Operations of Western Mining Corporation Limited, Kambalda, WA	R. Clarke	977
Gold ore treatment at Kidston Gold Mines Ltd, Kidston, Qld	T.M. Needham	982
Gold ore treatment at Lancefield Gold Operations of Western Mining Corporation Limited, Windarra, WA	F.W. Brown	985
Gold ore treatment at Leinster Gold Operations of Western Mining Corporation Limited, Leinster, WA	B.D. Jilbert and C.T. Reddell	987
Gold ore treatment by Macraes Mining Company Limited, Macraes Flat, New Zealand	K.M. Hollis, P.J. Allen, and M.D. Cadzow	989
Gold-silver ore treatment at Misima Mines Pty Ltd, Misima Island, Papua New Guinea	D.W. Zandee	993
Gold ore treatment at Mt Leyshon Gold Mines Limited, Mt Leyshon, Qld	D.A. Faulkner	996
Gold ore treatment by Newcrest Mining Limited at the New Celebration mine, Kalgoorlie, WA	Mitchell	
Gold ore treatment by North Flinders Mines Ltd at The Granites, NT	J.T. Skrypniuk	1005
Gold ore treatment at the Paddington mine of Pancontinental Goldmining Areas Pty Ltd, Kalgoorlie, WA	T. Owen and R.W. Nice	1008
Gold ore treatment at Peak Gold Mines Pty Limited, Cobar, NSW	R.H. Davies and E. Artone	
Gold ore treatment by Placer (Granny Smith) Pty Limited at Laverton, WA	G. Butcher	1015
Gold ore treatment at Plutonic Gold Mine of Plutonic Operations Limited, Plutonic, WA	D. Pass	
Gold ore treatment by the Porgera Joint Venture, Porgera, Papua New Guinea	C. Larmour	
Oxide gold ore treatment at the Telfer Gold Mine, Telfer, WA	M. Hodgens	1027
Gold ore treatment at Waihi Gold Mining Company Limited, Waihi, New Zealand	A. Cameron	1032
<i>Medium size gold ore treatment operations</i>		
Gold ore treatment at medium-size Australian gold plants	G.J. Sparrow and J.T. Woodcock	
<i>Dump and heap leaching</i>		
Heap leaching of gold ores in Australia	R.A. Pyper	
Gold dump leaching at the Telfer gold mine, Telfer, WA	M. Sherman, R. Dunne, and T. Conway	

Gold heap leaching by Perseverance Mining Pty Limited at Nagambie, Vic	G. Davison	
Gold heap leaching by Central Kalgoorlie Gold Mines NL, Bullabulling, WA	C. Morrissey	
<i>Alluvial mining and treatment</i>		
Alluvial gold mining and treatment in New Zealand	J.C. Braithwaite and A.P. Jury	
The new gold dredge and operations of Grey River Gold Mining Limited, Greymouth, New Zealand	D.J. Young	
<i>General gold treatment practices</i>		
An engineering view of developments and innovation in Australian gold ore treatment	J. McCowan and M. White	
Gold electrowinning from CIP eluates in Australasia	M.C. Costello	1091
<i>Gold refining</i>		
Gold refining at Australian Gold Refineries, Perth and Kalgoorlie, WA	D. Trainor	
Precious metals refining at Johnson Matthey (Aust) Ltd, Melbourne, Vic	C. Chadjilazarou	1097
Gold refining by Golden West Refining Corporation Limited, Kewdale, Perth, WA	S.G. Hodge and M.G. Ryan	
Gold and silver recovery from copper anode slimes at Southern Copper Limited, Port Kembla, NSW	B. Andrews	
Gold and silver recovery from copper anode slimes at The Olympic Dam Joint Venture, Roxby Downs, SA	S. Hall	
Chapter 13: Tin-tungsten-tantalum		
<i>Overview</i>		
Overview of the Australasian tin-tungsten-tantalum industry	A.J. Grey	
<i>Tin, tungsten, and tantalum ore mining</i>		
Tantalum ore mining by Pan West Tantalum Pty Ltd at Wodgina, WA	S.J. Hall	
Tin ore mining at Renison Limited, Renison Bell, Tas	A.J. Bruce	14
Tantalum-tin ore mining at Greenbushes mine of Gwalia Consolidated Limited, Greenbushes, WA	D. Holly	18
Tungsten ore mining at King Island Scheelite, Grassy, King Island, Tas	A.D. Fudge	
<i>Tin, tungsten, and tantalum ore treatment</i>		
Tantalum ore treatment by Pan West Tantalum Pty Ltd at Wodgina, WA	S.J. Hall	127
Tin ore concentrator practice at Renison Limited, Renison Bell, Tas	V.G. Beniuk	129
Tantalum-tin ore processing at Greenbushes mine of Gwalia Consolidated Limited, Greenbushes, WA	K. O'Keefe	135
Tungsten ore treatment by King Island Scheelite, Grassy, King Island, Tas	Kwang Ho Ok	
<i>Tin and tungsten concentrate leaching</i>		
Tin concentrate leaching at Renison Limited, Renison Bell, Tas	V.G. Beniuk	
Tungsten concentrate leaching by King Island Scheelite, Grassy, King Island, Tas	Kwang Ho Ok	

Tantalum-tin smelting

Tantalum-tin smelting at Greenbushes mine of Gwalia Consolidated Limited, Greenbushes, WA B. Shelley

Chapter 14: Uranium

Overview

Overview of the Australasian uranium industry R. Knight

Uranium ore mining

Uranium ore mining at Ranger Uranium Mines Pty Ltd, Jabiru, NT M. Danielson 1160

Uranium ore treatment

Uranium recovery from uranium-copper ore at The Olympic Dam Joint Venture, Roxby Downs, SA A. Fitzpatrick 1163

Uranium ore treatment at Queensland Mines Ltd, Nabarlek, NT B.R. Olver 165

Uranium ore processing at Ranger Uranium Mines Pty Ltd, Jabiru, NT R.K. Edwards 1168

Chapter 15: Nickel-cobalt

Overview

Overview of the Australian nickel-cobalt industry Sir Arvi Parbo and M. Elias

Nickel ore mining

Nickel ore mining at Kambalda Nickel Mines of Western Mining Corporation Limited, Kambalda, WA W. Ozga and J.S. Reeve

Nickel ore mining at Leinster Nickel Operations of Western Mining Corporation Limited, Leinster, WA P. Hepburn-Brown 180

Nickel ore mining by Western Mining Corporation Limited at Windarra, WA R. Larke 1183

Nickel ore treatment

Nickel ore treatment at Kambalda Nickel Mines of Western Mining Corporation Limited, Kambalda, WA M. Gray 185

Nickel ore concentration at Leinster Nickel Operations of Western Mining Corporation Limited, Leinster, WA P.J. Wright 189

Nickel ore concentration at Windarra Nickel Operations of Western Mining Corporation Limited, Windarra, WA F.W. Brown

Nickel-cobalt laterite ore treatment by Queensland Nickel Pty Ltd, Yabulu, Qld J.G. Reid

Nickel smelting

Nickel smelting at the Kalgoorlie nickel smelter of Western Mining Corporation Limited A.G. Hunt

Nickel matte refining

Nickel matte refining at the Kwinana, WA, refinery of Western Mining Corporation Limited B.F. Wishaw

Chapter 16: Other metals

Overview

Overview of other metals in Australia M.J. Roarty

Antimony

Antimony recovery and lead alloy production at Pasminco Metals
BHAS, Port Pirie, SA R.J. Moffatt

Cadmium

Cadmium production at Pasminco Metals — EZ, Risdon, Tas O.M.G. Newman,
R.M. Groenewoud,
and R.W. Adams

Cadmium recovery by Pasminco Metals — BHAS, Port Pirie, SA G. Saint 1219

Cadmium production by Pasminco Metals — Sulphide Pty Limited,
Newcastle, NSW W.O. Burgess 1221

Ferro alloys

Ferro alloy production at Tasmanian Electro Metallurgical Company
Pty Ltd, Bell Bay, Tas J. Bourke,
S. Ganguly,
and D. Retallick

Manganese

Manganese ore mining at Groote Eylandt Mining Company Pty Ltd,
Groote Eylandt, NT D. Turnbull 227

Manganese ore beneficiation at Groote Eylandt Mining Company Pty
Ltd, Groote Eylandt, NT P.J. Christison 1230

Manganese ore mining and treatment by Portman Mining Limited at
Woodie Woodie, WA A.J. Pearson 1234
and W. Holly

Electrolytic manganese dioxide production by Australian Manganese
Company Limited, Newcastle, NSW T. Taylor

Selenium

Selenium production at Pasminco Metals — Sulphide Pty Limited,
Newcastle, NSW P.T. Wills 1238

Selenium recovery at Southern Copper Limited, Port Kembla, NSW B. Andrews

Silicon

Silicon production by Simcoa Operations Pty Ltd at Kemerton, WA J.G. Brosnan 1241
and D.M. Spratt

Vanadium

Vanadium recovery at BHP New Zealand Steel Limited, Glenbrook,
New Zealand B.F. Kelly 1245

Chapter 17: Mineral sands

Overview

Overview of the Australian mineral sands industry C. McC. Anderson 1251

Mineral sands mining and wet plants

Mineral sands mining and wet plants of Cable Sands (WA) Pty Ltd,
Bunbury, WA H.A. Hutcheson

Mineral sands mining and wet plants of Consolidated Rutile Ltd,
North Stradbroke Island, Qld Staff of Consolidated
Rutile Limited

Mineral sand mining and wet plant of Mineral Deposits Ltd at
Stockton, NSW Staff of Mineral
Deposits Limited

Mineral sands mining and wet plant of RGC Mineral Sands Ltd, Capel, WA	M. Gill	
Mineral sands dredging and wet plant of Tiwest Joint Venture, Cooljarloo, WA	P. Hinner	
Mineral sands mining and wet plants of Westralian Sands Ltd in Western Australia	I.J. Clarke	1274
<i>Dry mineral sands separation</i>		
Dry mineral sands separation plant of Cable Sands (WA) Pty Ltd, Bunbury, WA	H.A. Hutcheson	1277
Dry heavy mineral sands processing mill of Consolidated Rutile Limited, Pinkenba, Qld	Staff of Consolidated Rutile Limited	1280
Dry mineral sands separation plant of Mineral Deposits Ltd at Hawks Nest, NSW	Staff of Mineral Deposits Ltd	
Dry mineral sands separation plant of RGC Mineral Sands Ltd, Capel, WA	V. Lee	
Dry mineral sands separation plant of RGC Mineral Sands Limited, Eneabba, WA	K. Mayes and M. Leggett	
Dry mineral sands separation plant of RZM Pty Ltd, Tomago, NSW	M.A. Germain	
Dry mineral separation plant of Tiwest Joint Venture, Chandala, WA	D. von Horn	1294
Dry mineral sands separation plant of Westralian Sands Limited, Capel, WA	P.W. Gazzard and S.A. Gomm	1298
<i>Synthetic rutile</i>		
Synthetic rutile operations of RGC Mineral Sands Limited at Capel and Narngulu, WA	I.W. George	
Synthetic rutile production at Tiwest Joint Venture, Chandala, WA	S.J. Mackowski and B.J. Reaveley	
Synthetic rutile production at Westralian Sands Ltd, North Capel, WA	N.R. Strange	
<i>Titanium dioxide pigment</i>		
Titanium dioxide pigment production by SCM Chemicals Ltd, Kemerton, WA	R.F. Lee	311
Titanium dioxide pigment production at Tioxide Australia Pty Ltd, Burnie, Tas	C.J. Blacklow	
Titanium dioxide pigment production by Tiwest Joint Venture, Kwinana, WA	P.A. Bibby	
<i>Proposed operations</i>		
Proposed ilmenite recovery operations of North Broken Hill Peko Limited, Barrytown, New Zealand	E. Lovett	
Proposed mineral sands mining and concentrating operations of Mineral Deposits Ltd at Beenup, WA	Staff of Mineral Deposits Ltd and D. Lean	
Mineral sands prospect of Wimmera Industrial Minerals Pty Ltd, near Horsham, Vic	J.K. Hamilton and J.T. Woodcock	
Chapter 18: Industrial minerals		
<i>Overview</i>		
Overview of industrial minerals production in Australia	N. Jackson	

General mineral production

Industrial minerals production by Commercial Minerals Limited in Australia	M.F. Flavel, T.P. Madsen, B.J. Murphy, C. Toye, R. Whitelock, and R. Flook	333
<i>Barite</i>		
Barite production by Commercial Minerals Limited at Oraparinna, Dunbar, and Quorn, SA	L.C. Barnes	337
<i>Bauxite (calcined)</i>		
Production of calcined bauxite by Comalco Aluminium Ltd at Weipa, Qld	K.B. McDonald and R. Mandla	1340
<i>Construction material</i>		
Production of construction material in New South Wales	S.N. Coundouris and P.H.I. West	1343
Production of construction material in New Zealand	A.J. Happy	1345
Production of construction material in South Australia	A.M. Pain and R.E. Mathews	1348
Production of construction material and industrial minerals in Tasmania	P. Allan	1351
Production of construction material in Victoria	C. Wyndham	1352
Production of construction material in Western Australia	R.J. Griffin	1356
<i>Dolomite</i>		
Dolomite production by BHP Steel — Long Products Division at Ardrossan, SA	R.T. Bennett	
<i>Feldspar</i>		
Feldspar production by Commercial Minerals Limited in Western Australia	C. Toye	
<i>Fluorite</i>		
Proposed fluorite and aluminium fluoride production operations of Elmina N.L. at Speewah and Kwinana, WA	K.A. Rogers	1361
<i>Glass sands</i>		
Glass sand production by ACI Industrial Minerals Division in Australia	J. Alste and B. Pitt	1365
Glass sand production by Cape Flattery Silica Mines Pty Ltd, Cape Flattery, Qld	A. Temperley	
<i>Halloysite clay</i>		
Halloysite clay production by New Zealand China Clays Ltd at Matauri Bay, New Zealand	M.G. Townsend	
<i>Kaolin</i>		
Industrial clay production by Commercial Minerals Limited in Australia	A. Sonogo	
Mining and production of paper coating grade kaolin by Comalco Aluminium Ltd at Weipa, Qld	R. Mandla	

Kaolin production at Kaolin Australia Pty Ltd, Pittong, Vic	T. Bailey	
Limestone		
Limestone production in Australia	F.L. Veal and J.H. Teague	1385
Magnesite		
Magnesite and magnesia production by Queensland Magnesia (Operations) Pty Ltd at Kunwarara and Rockhampton, Qld	B.F. Hill	1388
Magnetite		
Magnetite production by Commercial Minerals Limited in Queensland and New South Wales	G.J. Weekes and A.C. Robertson	393
Phosphates		
Phosphatic fertiliser manufacture in Australia	D.N. Collen	1396
Rare earths		
Proposed rare earths production from the Mount Weld, WA, deposit of Ashton Rare Earths Limited	D.J. Kingsnorth and T.N. Chan	
Salt		
Salt production by Cargill Australia Limited at Port Hedland, WA	C.H. Thomas	1406
Solar salt production by Dampier Salt (Operations) Pty Limited, Dampier, WA	R.J. Long	1410
Solar salt production by Dampier Salt (Operations) Pty Limited, Lake MacLeod, WA	R. Long	
Salt production by Penrice Soda Products Pty Ltd at Dry Creek, SA	K. Gilbert	1414
Spodumene		
Mining of spodumene ore at the Greenbushes Mine of Gwalia Consolidated Limited, Greenbushes, WA	J. Flemming	417
Treatment of spodumene ore at the Greenbushes Mine of Gwalia Consolidated Limited, Greenbushes, WA	J. Flemming	419
Sulphur		
Sulphur and sulphuric acid production in Australia	D.G. Butterworth and J.S. Pulsford	422
Talc		
Talc production by Commercial Minerals Limited at Gumeracha and Mount Fitton, SA	M.F. Flavel	1426
Talc production by Gwalia Consolidated Ltd at Mount Seabrook, WA	T.F. Monks	
Talc production by Three Springs Talc Operations of Western Mining Corporation Ltd, Three Springs, WA	D. Isac	
Zeolite		
Zeolite production from the Escott mine of Mount Gipps Limited, Werris Creek, NSW	P.G. Flood, W.T. Marx and C.L. Roberts	431
Chapter 19: Diamond and other gems		
Overview		
Overview of the Australasian diamond and gemstone industry	D.S. Karpin	1437

Diamond

Hard rock diamond mining at Argyle Diamond Mines Pty Ltd, Argyle, WA	D. Yates, D. Matthews, and S. Deakin	
Diamond mining by Poseidon Bow River Diamond Mine Limited, Bow River, WA	M. McCracken and T. Major	1449
Alluvial diamond mining and recovery operations at Argyle Diamond Mines Pty Ltd, Argyle, WA	D. Reeves	
Diamond recovery from lamproite ore at Argyle Diamond Mines Pty Limited, Argyle, WA	W.A. Hutton	
Diamond ore treatment by Poseidon Bow River Diamond Mine Limited, Bow River, WA	B. Hancock	

Other gems

Gem minerals in New Zealand	B.N. Thompson	
Jade mining and production in South Australia	I.J. Townsend	1469
Opal mining in Australia	I.J. Townsend and J.L. Keeling	1472
Sapphire mining and production in the New England region, NSW	D.C. Laurence	

Chapter 20: Coal

Overview

Overview of the Australasian coal mining industry	L. Clifford	
---	-------------	--

Underground coal mining

Underground black coal mining in New South Wales	R.D. Lama	
Underground coal mining in Queensland	J. Sleeman	
Coal mining and preparation in Tasmania	C.A. Bacon	

Open cut coal mining

Coal mining in New Zealand	I.S. McIntosh	1517
Open cut black coal mining in New South Wales	T.C. McGiddy	1520
Open cut coal mines in Queensland	B.L. Grieve	1527
Brown coal mining in the Latrobe Valley, Vic	E. Waghorne	1533
Open cut coal mining at Leigh Creek, SA	T.M. Earley	
Open cut coal mining at Collie, Western Australia	K. Pitts	1545
Open cut brown coal mining by Alcoa of Australia Ltd, at Anglesea, Vic	D.J. Hay and P.J.F. Jamieson	1549
Open cut brown coal mining by Maddingley Brown Coal Company, Bacchus Marsh, Vic	I. McLeod	

Coal preparation

Coal preparation in New South Wales	M. Pretor	1551
Coal preparation in Queensland	M.M. Williamson	1555
Coal & Allied Operations Pty Ltd integrated coal-water mixture (CWM) development	B. Boyle	

Chapter 21: Indexes

Author index to volumes and 2
