

HISTORY OF FLOTATION

C O N T E N T S

1. Mineral Adhesion Processes Before 1900	1
2. Zinc and Lead Sulfides 1902–1920.....	15
3. Copper Sulfides 1912–1930.....	65
4. Flotation Machines.....	93
5. Flotation Circuits	161
6. Industrial Minerals.....	189
7. Coal Flotation.....	233
8. Early flotation theory.....	249
Flotation After 100 Years	
9. Technological Research	273
10. Circuit Control	311
Acknowledgements.....	337
Index.....	341
